Reimagining Acquisition

NITAAC is the designated federal Executive Agent authorized by the Office of Management and Budget (OMB) to administer three Government-Wide Acquisition Contracts (GWACs) for information technology (IT). With a combined contract ceiling of \$60 billion, these GWACs are a primary resource for any federal agency looking to procure IT products, services and solutions.

Our three contract vehicles boast streamlined acquisition and fast ordering, a single-login electronic-Government Ordering System (e-GOS) with built-in guidance and automated task order completion, and ceiling rates negotiated at the Master Contract level to be the best available.
